

# LEADING THE FIGHT AGAINST ALZHEIMER'S\*

ALZHEIMER'S ASSOCIATION®

800.272.3900 | alz.org®

The Alzheimer's Association® provided care and support more than

**10 million times**

through channels including alz.org®, our 24/7 Helpline, support groups and education programs.

The Association held more than **500 meetings and events** with members of Congress.

Over **\$450 million** in active and committed funding in more than 1,200 projects in 56 countries.

## Hundreds of thousands

of participants took part in the Association's fundraising events, including Walk to End Alzheimer's®, Do What You Love to End ALZ™, Ride to End ALZ® and more.

Association donors and partners contributed to total revenues of more than

**\$465 million.**

Advocates secured a record-breaking **over \$240 million in dementia-specific funding from state governments.**

Over **200,000 calls and online chats**

received by the Association's free 24/7 Helpline (800.272.3900).

More than

**1.5 million followers**

through Facebook, Instagram, TikTok, YouTube and X combined.

Federal Alzheimer's research **funding has increased more than seven-fold**

in the last decade thanks to the dedication of the Association and thousands of advocates.

More than **11,000 researchers and scientists** attended our global 2025 Alzheimer's Association International Conference® (AAIC®) in person or virtually.
